

Our Hunter Derby Program has been created to bring show hunters to the new level, to increase spectator interest, and to bring tradition and basic riding principles back to the sport of showing horses.

Courses will offer a wide variety of jumps include but not limited to; Stone Wall, Roll Top, Gates, Walls and Natural Type Fences.

Derby will be run using a two-round format:
(Formal Attire Optional)

Round One

The Classic Hunter Style Round will be judged and numerically scored on quality, movement, jumping style, manners, and way of going. Pace and brilliance are to be rewarded. In addition to this score, the judge will be awarding an Option Bonus Score consisting of one (1) additional point for every higher height option fence jumped. These two scores must be announced separately and then added together to determine each rider/horse's score for this round from the judge. The scores will be added together to determine the total score of each ride/horse for this round.

Round Two

The handy Hunter Round shall be judged and numerically scored on quality, movement, jumping style, manners and way of going. Pace and brilliance are to be rewarded. In addition to this score, the judge will be awarding an Option Bonus Score consisting of one (1) additional point for every higher height fence jumped and will be awarding a Handy Bonus Score consisting of between (0) and ten (10) bonus points to each rider/horse combination for handiness of round. These three scores must be announced separately and then added together to determine each rider/horse's score for this round. The Scores will be added together to determine the total score of each rider/horse for this round.
